Do **not** use this form to apply for Veterans' education assistance based on your own service (chapters 30, 32, 33, or 1606) or Veterans Readiness and Employment benefits (chapter 31). To apply for Veterans' education assistance based on your own service, use VA Form 22-1990. To apply for Veteran Readiness and Employment benefits, use VA Form 28-1900. VA forms are available at www.va.gov/vaforms.

NOTE: The numbers on these pages match the item numbers on this application. Items not mentioned are self-explanatory.

ITEM 8. Federal regulation, found in 31 C.F.R. § 208.3 provides that, subject to section 208.4, "all Federal payments made by an agency shall be made by electronic funds transfer" (EFT). EFT is not required to determine eligibility but is required to pay benefits. Any bank account information you enter in Item 8 will update all the existing veteran benefits, including Compensation, Pension, and benefits to certain children with disabilities (chapter 18) payments. Information entered in Item 8 WILL NOT change your existing bank account for VA health benefits.

ITEM 13A. Please check Yes or No for this box if you are a child or spouse of an active duty service member or a member of the Selected Reserve and the member died in the line of duty while serving. **Note:** Determination of 'died in the line of duty while serving on duty other than active duty' will be determined by the Department of Defense and the VA.

ITEM 13C. Please check Yes or No for this box if you are a child or spouse of a member of the Selected Reserve and the member died after September 10, 2001 from a service connected disability as determined by VA.

ITEM 15. You will not be eligible to receive benefits for any period for which you or the qualifying individual on whose account you are claiming benefits has an outstanding felony or warrant. Any benefits paid to you for such period will result in an overpayment and be subject to collection.

ITEM 17A. If you are certifying that you are married for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided at the time of marriage or where you and/or your spouse resided when you filed your claim (or a later date when you became eligible for benefits) (38 U.S.C. § 103(3)). Additional guidance on when VA recognizes marriages is available at <http://www.va.gov/opa/marriage/>.

In other words, you must forfeit eligibility to the other benefit even if your eligibility is due to:

- A separate Period of Service (POS) other than the one for which the death of the spouse is associated; **OR**
- A separate POS other than the one for which your spouse has a total disability permanent in nature resulting from a service-connected disability, death due to service connected disability; **OR**

This means that if you are 18 or older, payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) will be terminated upon issuance of a DEA or Fry Scholarship benefit payment. If you are under the age of 18, these benefits will be terminated on your 18th birthday.
