## WELCOME

ED BUCZESKIE, EVENT MANAGER

Last year I provided everyone with a good laugh by using a picture of me with my first car from my high school days back in the late '80s. This year I'm taking you all the way back to the beginning and a picture of the very first car I ever rode in – my parents' 1966 Charger. This car might explain how I got my Mopar addiction because I can tell you that my parents aren't into cars yet I've loved them for as long as I can remember. It's also my personal connection to the '66 and '67 Charger Reunion that's happening here this weekend.

In addition to the first generation Chargers, we are also highlighting the IROC R/Ts, Spirit R/Ts and Phantom R/Ts. To add to all of that, we have arranged an amazing display of horsepower in Building T. The cars range from old school hot rods to late model muscle machines and every genre of modified cars in between. We have a '71 'Cuda that's a time capsule from the mid-'70s ISCA World of Wheels show car circuit, Resto Mods, racecars and a 3,000+ horsepower street car that's being built for Drag Week. There are also several perfectly restored cars, the latest "what if" creation from Gary and Pam Beineke and plenty more.

The Carlisle Chrysler Nationals is always full of celebrities and this year we have more than ever. Television and movie stars include John Schneider, Cindy Williams, William Ostrander and Paul LeMat. All are courtesy of the Christine Car Club. We also have drag racing legends Bill Stiles, Herb McCandless and Sam Auxier, Jr. automotive TV show hosts Lou Santiago, Kevin Tetz of *Trucks!*, Dan Woods of *Chop Cut Rebuild* and Mark Fletcher of *Classic Restos*. If you haven't heard of that show, it's probably because it airs in Australia and New Zealand. Mark will be filming this weekend so you could end up on TV Down Under!

The calendar has just turned to 1971 at Beeney Motors. If you want to relive the days of going to your local Dodge/Chrysler/Plymouth dealer circa 1971, or maybe you only remember the days of economy cars and rebates, then this is your chance. See the all new Demon, Charger, Road Runner and GTX as well as the updated 'Cuda and Challenger. And just like the musclecars, this display might disappear after 1971. If you want to see a 1972 Retro Dealership, we need correct cars. If you have an original or a correctly restored 1972 Chrysler vehicle, please contact us ASAP. If we can't get enough 1972 vehicles, Beeney Motors might be forced to close its doors.

I'm also very excited to have an expanded presence from Chrysler Group LLC this year and the return of the Test Drives! See the latest vehicles from Dodge, Chrysler, Jeep and Ram and take your turn behind the wheel with the on-site test drives. You can also check out the latest products from Mopar Performance and Mopar Parts. Whether you're looking for performance parts, accessories or a new car, Chrysler Group LLC has you covered.

We're sure you're going to have a great time this weekend so feel free to stop by Vendor Services (outside Gate 3) while you're here and register for next year's show. Mark your calendars now for July 6-8, 2012.

# SCHEDULE & HIGHLIGHTS

## IF SOMEONE IS LOST.....

If you become separated from your party and are unable to contact them, go to the Grandstand/Stage area (near the Guest Services trailer) and wait for them. We do not page individuals.

## WHEN YOU NEED HELP .....

Our security staff is here to assist you. They collect lost/found items and provide first aid services. The office is accessible by the ramp at the back (north) of the stage.

## SHIPPING & HAULING GOODS .....

To haul merchandise, stop by Guest Services to rent a cart or ask about having someone haul it for you to any gate. You may also ship items through Antrim Way Shippers located in front of the Receiving Building near Gate 3.

## WI-FI.....

Public Wireless Internet Access is available as a convenience to our guests – Carlisle Events Hot Spot. This is unsecured wireless access to the Internet. You are responsible for maintaining the security of your information and your equipment when accessing the Internet. Carlisle Events assumes no responsibility and shall not be liable for any damages to your computer equipment or other property as a result of your use of this hot spot. Vendors in Buildings T, Y or Z wishing to have Internet access should make arrangements prior to the event for "DSL" with the same provider of phone service to their sites.

## PETS .....

Pets are strongly discouraged for health and safety reasons. If you cannot make other arrangements for boarding, your pet must be on a leash and policing after it is required. Your pet must be under your control at all times, and you are fully responsible for its actions. Any offensive or unsafe action by your pet may result in expulsion without refund.

## TRANSPORTATION.....

For safety reasons, the use of all personal means of transportation (bikes, scooters, golf carts, ATVs, motorcycles or minibikes, etc.) is forbidden on the Fairgrounds from 7 a.m.-5 p.m. on all show days. No unlicensed drivers may operate these vehicles at any time. Verification of insurance is required.

## WARNING TO ALL ATTENDEES .....

Dangerous conditions can exist on the Fairgrounds. Due to exposure to the weather, areas may become slippery or soft. Due to the nature of the goods displayed, heavy and sometimes dangerous equipment and moving vehicles are frequently present. Carlisle Productions cannot be responsible for the conduct of vendors and patrons entering these premises. Those who enter the Fairgrounds do so at their own risk.

## COLLECTOR CAR APPRECIATION DAY.....

The Specialty Equipment Market Association (SEMA) and its Automotive Restoration Market Organization (ARMO) and Hot Rod Industry Alliance (HRIA) Councils announced July 8, 2011 as "Collector Car Appreciation Day." The date marks the second commemoration in what will become an annual event to raise awareness of the vital role automotive restoration and collection plays in American society. SEMA and its councils are now working to secure a Congressional resolution to recognize the day's significance.

We held a contest on our website asking people to tell us what they, or someone they know, does to epitomize the collector car hobby. Carlisle Events co-owner and co-founder Bill Miller chose one as our winner. The winner received a pair of weekend passes for this year's event and will also receive a free showfield registration or weekend passes plus accommodations to return next year!

## ROCK CRAWLING 101.....

Our friends from Rausch Creek Off Road Park are here to share some of their training and expertise on how to navigate the rock pile. They are certified by the International Four Wheel Drive Trainers Association. Off-road enthusiasts or just off-

road interest, don't miss this opportunity to pick up some pointers and techniques from the pros. Check the schedule for this Saturday-only seminar and consider Rock Crawling for your hands-on-the-wheel experience with your own rig.

## ROCK CRAWLING.....

At the rock pile on the top of the hill near Gate 5, you'll find the pros from Rausch Creek demonstrating how to navigate the course on Saturday. If you'd like to

give it a try in your own 4WD, talk to their staff to set up your rock run.

## MODIFIED MOPARS INVITATIONAL DISPLAY.....

The theme for 2011 is Performance. See the display of the ultimate in performance '60s Hot Rods, '70s Street Machines, '80s Pro Streets and modern Pro Touring/Resto Mods in Building T. **SEE PAGE 23.**

## BARN FINDS & TIME BANDITS.....

The 2010 Barn Finds display was such a huge hit that we have decided to make them a regular part of the show. Look for these less-than-perfect time capsules on the showfield.

## MOPAR SURVIVOR DISPLAY.....

Survivors are true time capsules and are the best way to see exactly how these vehicles were originally assembled on the line. They still have their original factory applied paint, interiors and drive trains; or at least a minimum of 85% of it. Thanks to Mel Major we've been able to bring you over forty unique examples for each of the last several years. **SEE PAGE 35.**

## 1971 RETRO DEALERSHIP.....

Experience Beeny Motors, circa 1971. Lots of factors were already at work to kill the musclecar by 1971 but Chrysler wasn't ready to throw in the towel and neither is Beeny Motors. We'll have the newly restyled B-Bodies, the freshened up E-Bodies as well as the all-new Demon

# SCHEDULE & HIGHLIGHTS

from Dodge and even a truck. Look for special displays throughout the dealership. **SEE PAGES 26-27.**

## BURNOUT CONTEST

No Carlisle event would be complete without the burnout contest. "Carlisle King or Queen of the Hill" bragging rights are up for grabs once again. Pre-registration is required at Guest Services. A show sticker (i.e. registered for vending or showfield), driver's license and proof of insurance are required. Participants are limited to 10 vehicles and 3 minutes each.

## MS. CARLISLE CONTEST

Contestants for Ms. Carlisle compete for cash prizes on Saturday evening at the grandstand. Ladies must register at Guest Services by the stage. Must be 18 with valid ID. Complete rules and contest format are available on registration form.

## CLUBS

Clubs are a very important part of the event. Each year clubs compete to see which has the most vehicles in attendance and awards are presented to the top three. There is also an award presented to the club who has the coolest hangout. See who won last year on **PAGE 15.**

## YOUNG GUNS – THE FUTURE OF THE MOPAR HOBBY

The younger generation is the future of the Mopar hobby and we want to make sure they have a home at the Chrysler

Nationals. If you haven't checked out the Young Guns classes yet, you might be surprised to see that what they are doing isn't a whole lot different than what we "old timers" are used to. Young Guns classes are open to licensed drivers, age 16-25.

## AWARDS PARADE

See the winning vehicles from the Showfield during the awards parade on Sunday at 1 PM at the grandstand. Winners' lists will be available at 9 a.m.

Sunday morning at the Winners' Check-In Building on Duke's Blvd. (the Goody Bag Garage), Guest Services, Vendor Services and Showfield Registration. Winners must check in to join the parade or to pick up their award. If you cannot attend the event on Sunday, your award may be shipped to you for a \$10 fee or picked up at our office during regular business hours or at any future event.

## DRAG RACING

Take a short drive on Friday to nearby Quarter Aces Drag-O-Way for a full field of Mopar-only drag racing. Watch everything from show cars to blown Hemis blast down the NHRA-sanctioned 1/8 mile strip. Spectators and racers alike are all welcome to attend. Qualifying is from

3 - 6 PM and then Eliminations and Exhibit Passes start.

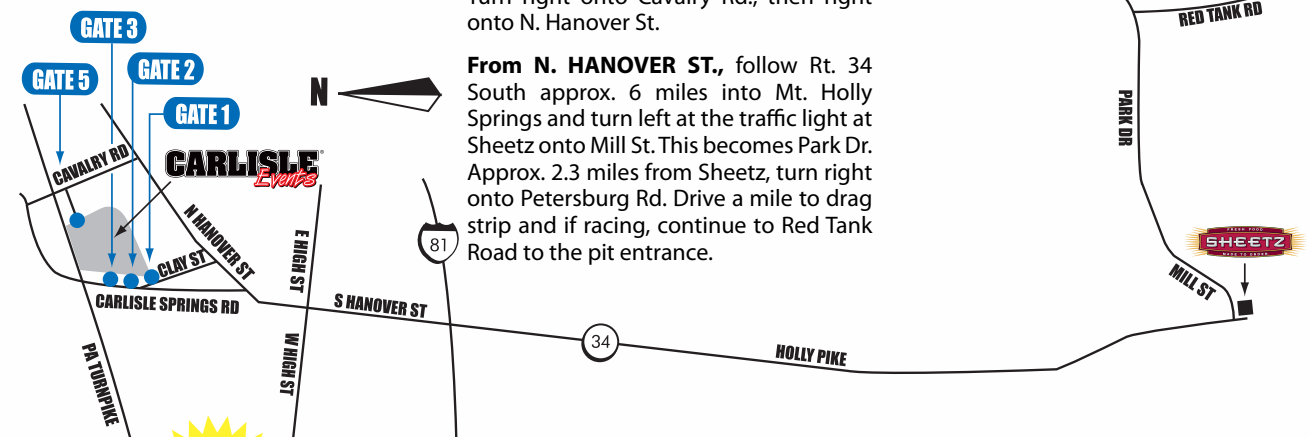

### DIRECTIONS:

**From GATE 2 OR 3:** Turn left onto Carlisle Springs Rd. (Rt. 34), then right onto N. Hanover St.

**From GATE 1:** Turn left onto Clay St., then right onto N. Hanover St.

**From GATE 5:** Turn right onto Cavalry Rd., then right onto N. Hanover St.

**From N. HANOVER ST.,** follow Rt. 34 South approx. 6 miles into Mt. Holly Springs and turn left at the traffic light at Sheetz onto Mill St. This becomes Park Dr. Approx. 2.3 miles from Sheetz, turn right onto Petersburg Rd. Drive a mile to drag strip and if racing, continue to Red Tank Road to the pit entrance.

COMING IN 2012

## AUTOCROSS WITH HOTCHKIS SPORT SUSPENSION

You read it right; we will be using the autocross track in 2012 at the Chrysler Nationals. We are teaming up with Hotchkis Sport Suspension to provide ride alongs in vehicles equipped with their suspension components and full TVS (Total Vehicle System) kits. Imagine having a stock looking A, B or E-Body that handles better than most new cars!

The 2012 Autocross will be held on the north side of the property, next to the Turnpike (see map for location). Rather than watching videos or reading "the numbers" on how well our old Mopars can handle, you'll be able to go for a ride in one of the Hotchkis-equipped Mopars and experience it for yourself.

Hotchkis kits and components are designed for bolt-on installation using the stock suspension geometry and mounting points. Add some aftermarket disc brakes and you have a true canyon carver that will handle better than you ever thought possible. Check them out at Hotchkis.net and be sure to check out the autocross at the 2012 event on July 6-8.

## MOPAR DISPLAYS & TEST DRIVES RETURN .....

Mopar®, Chrysler Group LLC's service, parts and customer-care brand, will once again host its popular display at the Carlisle Chrysler Nationals. Participants and enthusiasts will have the opportunity to visit the Mopar display, check out Mopar and Dodge show vehicles, purchase Mopar gear and take part in various fan activities at the display.

The Mopar Direct Connection display trailer will be on hand for all three days of the Carlisle Chrysler Nationals, with Mopar parts and vehicles on exhibit for fans to browse. **Famed Mopar-powered drag racing legends the Ramchargers will take part in autograph sessions on Friday, July 8 and Saturday, July 9 at 11 a.m. at the display.** The Mopar Rolling Speedshop gear trailer will also be on hand with various Mopar items available for purchase.

Dodge will also host a test track setup

at Carlisle, giving attendees the opportunity to test drive several of the brand's all-new vehicles. Five R/T models will be on exhibit as well.

Mopar distributes approximately 280,000 parts and accessories in more than 90 countries and is the source for all original-equipment parts for Chrysler, Jeep®, Dodge and Ram vehicles. Mopar parts are unique in that they are engineered with the same teams that create factory-authorized vehicle specifications for Chrysler, Jeep, Dodge and Ram vehicles — a direct connection that no other aftermarket parts company can provide.

When Chrysler bought Dodge in 1928, the need for a dedicated parts manufacturer, supplier and distribution system to support the growing enterprise led to the formation of the Chrysler Motor Parts Corporation (CMPC) in 1929.

Mopar (a simple contraction of the

words MOtor and PARTs) was trademarked for a line of antifreeze products in 1937. It also was widely used as a moniker for the CMPC. The Mopar brand made its mark in the 1960s — the muscle-car era. The Chrysler Corporation built race-ready Dodge and Plymouth "package cars" equipped with special high-performance parts. Mopar carried a line of "special parts" for super-stock drag racers and developed its racing parts division called Mopar Performance Parts to enhance speed and handling for both road and racing use.

For additional information about Mopar, including a complete list of available Mopar accessories and performance parts, log on to <http://www.mopar.com>.

**CHRYSLER**

Scott Buck of East Greenville, Pa., and his 1970 Dodge Coronet Super Bee were named the Mopar "Top Eliminator" winner at the 2010 Carlisle Chrysler Nationals. A panel of Mopar representatives will pick a 2011 Mopar "Top Eliminator" winner at the Carlisle Chrysler Nationals, with the winning vehicle to be part of the Mopar display at the 2011 SEMA show in Las Vegas. The winner will be honored during the Carlisle Chrysler Nationals awards celebration.

## MOPAR 'TOP ELIMINATOR' TO BE CHOSEN .....

The Mopar "Top Eliminator" program will again play a major role at the Carlisle Chrysler Nationals, with the "best of the best" displaying their incredibly accessorized Chrysler, Dodge and Plymouth vehicles. 2011 marks the fifth year of the Mopar "Top Eliminator" program, with participants from coast-to-coast showing off their vehicles.

A panel of Mopar representatives will chose the "Top Eliminator" winner at the Carlisle Chrysler Nationals with the winning vehicle to be part of the Mopar display at the 2011 Specialty Equipment Market Association (SEMA) show in Las Vegas. The winner will be chosen on Sunday and honored during the awards

celebration.

"The 'Top Eliminator' program continues to grow and is a favorite among loyal Mopar enthusiasts," said Pietro Gorlier, President and CEO of Mopar, Chrysler Group LLC's service, parts and customer-care brand. "The creativity and workmanship that goes into each entry is second to none. With winners receiving a spot in the Mopar display at the SEMA show, the designs continue to reach new levels every year."

Scott Buck, of East Greenville, Pa., was named the Mopar "Top Eliminator" winner at the 2010 Carlisle Chrysler Nationals for his 1970 Dodge Coronet Super Bee. Buck spent several years on the

restoration, which included a number of Mopar parts, including a Mopar Performance cam, valve covers and intake manifold.

A total of three Mopar "Top Eliminator" winners will be named this year, with each of the recipients earning a spot to display their vehicle at the 2011 SEMA show. The first "Top Eliminator" winner of 2011 was named on June 5 at the Mopars in The Park in Farmington, Minn., with Martin Wimberly and his 1971 HEMI® 'Cuda Convertible taking the honors. The final "Top Eliminator" winner of 2011 will be chosen during the Woodward Dream Cruise in Royal Oak, Mich., August 20.

# SPECIAL GUESTS

## JOHN SCHNEIDER.....

John Schneider is best known for his role as Bo Duke on *The Dukes of Hazzard* television show but his more recent credits include *Smallville*, *Desperate Housewives* and more. John is scheduled to be at the show all weekend along with one of the original General Lee Chargers that was used in the television series. Don't miss your chance to meet a TV icon. Appearance schedule subject to change without notice. Additional fees will apply for this special encounter.

## CINDY WILLIAMS.....

Cindy Williams has appeared on *Happy Days*, *American Graffiti* and *Laverne & Shirley*. Be part of a once-in-a-lifetime opportunity to meet her this weekend. Williams burst onto the scene as Laurie Henderson, Ron Howard's love interest in *American Graffiti*. Following her time on *Laverne & Shirley*, she appeared on stage in *Grease*, *Deathtrap* and *Moon Over Buffalo*. Given the *Happy Days* connection, Williams will be accompanied by an original T-Bucket from the show. Don't miss your chance to meet the star of some of Hollywood's iconic productions. Appearance schedule subject to change without notice. Additional fees will apply for this special encounter.

## WILLIAM OSTRANDER.....

William Ostrander rose to fame as Buddy Repperton in the 1983 film *Christine*. Along with his work in *Christine*, Ostrander has appeared in *Knots Landing*, *Touched by an Angel* and the 1985 mini-series

*North and South*. Since 2007 Ostrander has lived in California and owns a contracting company. Ostrander's last film credit was in 2001's *Angel*. Joining Ostrander will be a replica of the car from *Christine*. Don't miss your chance to meet one of the stars from a true icon car movie. Appearance schedule subject to change without notice. Additional fees will apply for this special encounter.

## PAUL LE MAT.....

"John Milner" and his '32 Deuce Coupe from the hit film *American Graffiti* will be here this weekend. Le Mat won the Golden Globe Award for New Star of the Year for his efforts in the 1973 George Lucas film. Le Mat also reprised the Milner character for 1979's *More American Graffiti*. More recently Le Mat appeared in the 1998 drama *American History X* opposite Edward Norton and Edward Furlong. Don't miss your chance to meet the co-star of *American Graffiti*, a film that defined a generation. Appearance schedule subject to change without notice. Additional fees will apply for this special encounter.

## TOM CODDINGTON.....

Tom Coddington was a Chrysler executive and engineer with ties to both the birth of the 426 Hemi and the success of the original RAMCHARGERS team. In 1963, Coddington along with Tom Hoover and a group of engineers developed and introduced the thunderous 426 Hemi. In 2005, Coddington worked with Specialized Vehicles Inc. (SVI) to build the ST-X concept car for Subaru.

## TOM HOOVER.....

Tom Hoover's first Chrysler factory racing success was the Slant Six Hyper

Pak, which he developed as Chrysler's first Race Program Coordinator. The engine blew away the competition at the Daytona road course in 1961. Before that, Hoover won the C Gas title at the 1960 NHRA Nationals in Detroit with a 1958 Plymouth powered by a strange-looking 392 ci Chrysler Hemi. All of this took place before Hoover even thought about the number 426. Hoover is known best as the father of the 426 Hemi engine. Hoover was the guiding force behind what became Chrysler's success in NASCAR with the 426 Hemi. The Hemi totally dominated qualifying in 1964 and Richard Petty won the Daytona 500 in a 426-powered Plymouth. Hoover remained the center of racing development at Chrysler helping Dodge and Plymouth Hemis to lead drag racing through the golden ages of Super Stock, Factory Experimental, and Pro Stock eras.

## HERB MCCANDLESS.....

Known as Mr. Mopar or Mr. 4-speed, Herb McCandless has been a drag racing legend and automotive performance wizard for over 40 years. Elected to the NHRA Southeast Division Hall of Fame in 1988, McCandless won the U.S. Nationals in 1970 driving the No. 24 Sox and Martin Pro Stock car. McCandless also gained notoriety for his strip work in his Pro Stock Cuda. McCandless became involved in Chrysler's race program in 1965 and raced Hemi cars from 1965-1974. In 1974, he started McCandless Performance, one of the largest Chrysler Direct Connection and Mopar Performance dealers. A Hemi hero of drag racing, McCandless won championships in Darts, Dusters and Barracudas.

## LOU SANTIAGO.....

Lou is the host of Discovery's *Ultimate Car Build Off* where he challenges shop builders across the country testing their knowledge of vehicle fabrication and pushing their creativity. His passion for car building took the forefront when he landed a job in 2005 on Spike TV's *Muscle Car*. His time spent on *Muscle Car* only proved to the world that his love for his art was limitless. Now, Lou has a new home and it is called *GarageInsiderTV.com*. He will be building some really cool stuff and showing the masses once again that you too can be a car builder extraordinaire.

## DAVID SNYDER.....

Celebrated automotive artist David Snyder is in Building T with a display of his automotive art featuring vehicles produced by Chrysler. Stop by and see first-hand his artistic ability as he is working on new paintings throughout the weekend. Snyder is also available to personalize his new book *The Automotive Art of David Snyder*.

## BILL STILES.....

Bill Stiles is known not only as one of the pioneer drivers of Super Stock and Pro Stock racing but also as an expert performance and racing mechanic. As a driver, Stiles is most widely known for racing one of the original factory SS/BA Hemi-powered Plymouth Barracudas. As a mechanic, Stiles geared Jere Stahl and Dave Strickler to many victories on the quarter mile. With multiple class wins, Stiles was a key driver in the success of

the new Hemi Barracudas and Darts that dominated Super Stock throughout the mid and late '60s. For the '70 season, Bill moved to Pro Stock with a Duster that he ran until 1973. Today, he is known as an expert in preparing magneto ignition systems for racing applications out of his shop Stiles Performance in York, PA. Bill Stiles is here with the Barracuda and the Duster all weekend in the Race Display on the showfield to meet with fans and to talk racing and Mopars.

## MARK FLETCHER.....

Mark "Fletch" Fletcher (standing on left) has been performing since he was just four years old and today he hosts a TV show called *Classic Restos*. Never heard of Mark, it's ok because it just means that you aren't watching TV in Australia or New Zealand because that's where the show airs. This weekend Fletch and his crew have come all the way to the states for the Chrysler Nationals and they will be filming all weekend. You and your car may end up on air *Down Under!*

## DAN WOODS.....

Dan Woods is best known in the automotive world as the host of Speed Channel's *Chop Cut Rebuild and Street Tuner*. Before he began hosting car programs on Speed, he became famous world-wide for his role as Mr. Raditch on the Emmy Award winning *Degrassi* television series. Dan will be here this weekend making appearances in the Legendary Auto Interiors booth in spaces N52-67. See schedule for times.

## SAM AUXIER, JR.....

We are pleased to have Sam Auxier, Jr. – known for "interviewing the greatest

names in racing" – join us again. Sam plans to broadcast Thursday, Friday and Saturday from Building T. Sam is a 2000 Super Car Hall of Famer and a 2002 inductee to the Drag Times Hall of Fame. Come out and meet this drag racing legend.

## KEVIN TETZ.....

Kevin Neils Tetz, how-to TV personality, automotive journalist, restoration shop owner and auto body industry expert will host live seminars as well as conducting meet-and-greet appearances. Kevin grew up elbows deep all things automotive as well as rock-n-roll music. Following his career as a recording artist, Kevin settled in the Nashville where he gained his ASE, ICAR, PPG, & SIKKENS certification as a collision repair tech. Kevin launched the *PAINTUCATION* Instructional DVD series in 1999, focusing on Automotive restoration and refinishing techniques. He has written for several national automotive publications and most recently co-hosted *Trucks! TV*.

## JERRY HEASLEY.....

Barn-find autos are special. Whether the car was truly found in a barn or something similar, every story is unique and every car, restored or not, is a treasure. This weekend join automotive journalist Jerry Heasley as he discusses his latest project, *"Rare Finds, Rediscovering Muscle Car Treasures."* Heasley will be on hand to take part in seminars and a book pre-sale. Don't miss this wonderful opportunity to interact with an icon and get a signature.

**GIVEAWAYS**

**SATURDAY • 1999 CHRYSLER SEBRING**

Drop the top and let the summer breeze blow through your hair because this year you could win a 1999 Chrysler Sebring convertible. The car has 78,000 miles on it, is a V-6 with automatic transmission, has leather interior, alloy wheels, power top, power windows, power locks and it's red! Looks great, runs great, is great! **See below how to register to win.**

**SUNDAY • 450 BIG BLOCK STROKER**

This year's engine is a 450-inch big block stroker based on a 383 block. This engine produced 496 horsepower and more than 540 ft.-lb. of torque on the dyno. Mike at Muscle Motors tells us, "Just about everyone has a 383 block lying around somewhere, and here is a great example of how it could be put to use". This engine has a lot of torque, runs on pump gas, and uses a hydraulic roller-camshaft for low maintenance. This is a dynamite combination for just about any Mopar! **See below how to register to win.**

**GUESTS MUST REGISTER TO WIN • NEW GIVEAWAY PROCEDURE**

**TO ENTER - VENDORS:** Vendors do nothing - you are automatically entered. The owner of record of every vending space is automatically entered to win. This includes vendors who purchased recycled vending spaces as well as car corral vending spaces.

**TO ENTER - SHOWFIELD PARTICIPANTS:** Showfield participants do nothing - you are automatically entered.

**TO ENTER - GUESTS:** Enter the drawing in the Giveaway Registration Building next to the Grandstand/Guest Services. One entry per person. You may also enter online for any giveaway by the deadlines noted in the schedule.

**TO WIN:** Winner of the car will be announced on Saturday at approximately 5 p.m. and the winner of the engine will be announced after the Awards Presentation on Sunday afternoon. You do not need to be present to win. Winner will be notified according to the contact information we have on file (for vendors and showfield) or that was provided at the kiosk.

**OFFICIAL RULES AND REGULATIONS:** See eligibility requirements posted at the Giveaway Registration Building or on our website: CarlisleEvents.com

During the show, our event team visits each club location and presents an award to the club with the coolest hangout. We also present awards to the three clubs with the most registered members. Make Carlisle your club's site for a fun-filled weekend.

## COOLEST CLUB HANGOUT

Val Stewart of Carlisle Events said "It was like I was transported back to the 50s, very cool!" when asked what she thought about this club hangout.

### FORWARD LOOK NETWORK

[www.ForwardLook.net](http://www.ForwardLook.net)

**Vehicles: All 1955-1961 Mopars**

The Forward Look Network is a worldwide family of over 4,500 owners and fans of Chrysler's 1955-1961 vehicles. These vehicles embodied The Forward Look of Motion, Chrysler's corporate slogan of the era. The trend-setting designs by renowned automotive stylist Virgil Exner rocked the stodgy automotive world of the early 1950s. Our "no fees, no officers, no headaches" club features an email list, web forums, and worldwide regional groups, along with an online archive of over 700,000 pages of relevant information. If you are interested in these cars as well, we would love to meet you! Stop by and see us!

**Vehicles: All Chrysler, All Years**

Although we have "HEMI" in our name, we're not strictly for HEMI owners. We're a club for all MOPAR enthusiasts and their families. The NeHOA was formed in 1976 and incorporated in Delaware in 1977. As many non-HEMI MOPAR owners became interested, the NeHOA has become one of the oldest and strongest Chrysler clubs in the country. We currently have approximately 170 members. The NeHOA holds two meets annually over the Memorial Day (2012: Jim Thorpe, PA) and Labor Day (2011: Rochester, NY) weekends at locations throughout the northeastern United States.

2GN.org was created in May of 2004 to help bring together the owners of the second generation Neon (2GN). Word spread by word-of-mouth over various web forums and within months the site had grown to be one of the most resourceful websites for the Neon. While the site is mainly focused at the second generation Neon, many first generation Neon owners as well as non-Neon owners also call the site home due to its friendly, fun, and helpful atmosphere. We've grown to be very close friends and in some cases we think of each other as family.

## 20TH ANNIV. OF THE 1991 SPIRIT R/T

BY RALPH SCOTT

To mark the 20th Anniversary of the 1991 Dodge Spirit R/T, Carlisle Events is sponsoring a tent on the showfield for Spirit R/Ts and their predecessors, the Iroc R/Ts and the Mexican Phantom DOHC R/T. The Spirit R/T is a 4-door sedan powered by a 2.2 liter, dual overhead cam T-III Turbocharged four-cylinder, with a 16-valve Lotus designed head and a 5-speed Transaxle. At 224 hp, the Spirit R/T in 1991 was the fastest production sedan in the world. The 2.2 liter 224 hp engine has the highest horsepower per cubic inch of any production engine ever produced by Chrysler at 1.66 hp/cubic inch. A stock Spirit R/T or Iroc R/T will run 14.2-14.7 in the 1/4 mile with a top speed in excess of 150 mph and at the same time would get 27 mpg. In 1992 Chrysler then put this set-up in the Dodge Daytona Iroc R/T (International Race of Champions, Road & Track).

Approximately 1,399 Spirit R/Ts were produced in 1991 & 1992. The colors for 1991 were red or white. In 1992 the colors were red, white or silver. Only 31 silver Spirit R/Ts were made.

Only 431 Daytona Iroc R/Ts were made in 1992 and 1993 for US Production. US Production statistics for the 1992 Daytona Iroc R/T: 115 Red, 75 White and 60 Black. US Production Statistics for the 1993 Daytona Iroc R/T: 90 Emerald Green, 34 Black, 32 Red, 17 White, 8 Banzai (Electric) Blue. Total U.S. and Export Productions Numbers are 1992 = 341 & 1993 = 212 for a total of 553 Daytona Iroc R/Ts over the two years. The export models were built to different safety standards and were badged as "Chrysler Daytona Iroc R/T." OR "Chrysler Daytona Shelby R/T" (The Shelby badge was for export to Europe and the "Chrysler Iroc R/T" was badged for export to Canada.)

The Phantom R/T DOHC was made ONLY for the Mexican market in 1992 and 1993, (based on the LeBaron platform) with an estimated production of the same or less than the Daytona IROC R/T in USA and Canada. The Phantom

R/T DOHC is not to be confused with the Phantom R/T which was produced from 92 thru 94 (Mexican market only) with the SOHC (2.5L 8 valve) Intercooled Turbo II. The first Phantom R/T DOHCs came with numbered plates like some of the Shelby vehicles in the USA. The Phantom R/T DOHC came in red, white and black, with the Lotus T-III engine, the A568 5-speed transmission, analog gauges with 270km/hr speedometer and 16" Lace Wheels (like the LeBaron GTCs in the USA). Interiors are all leather and

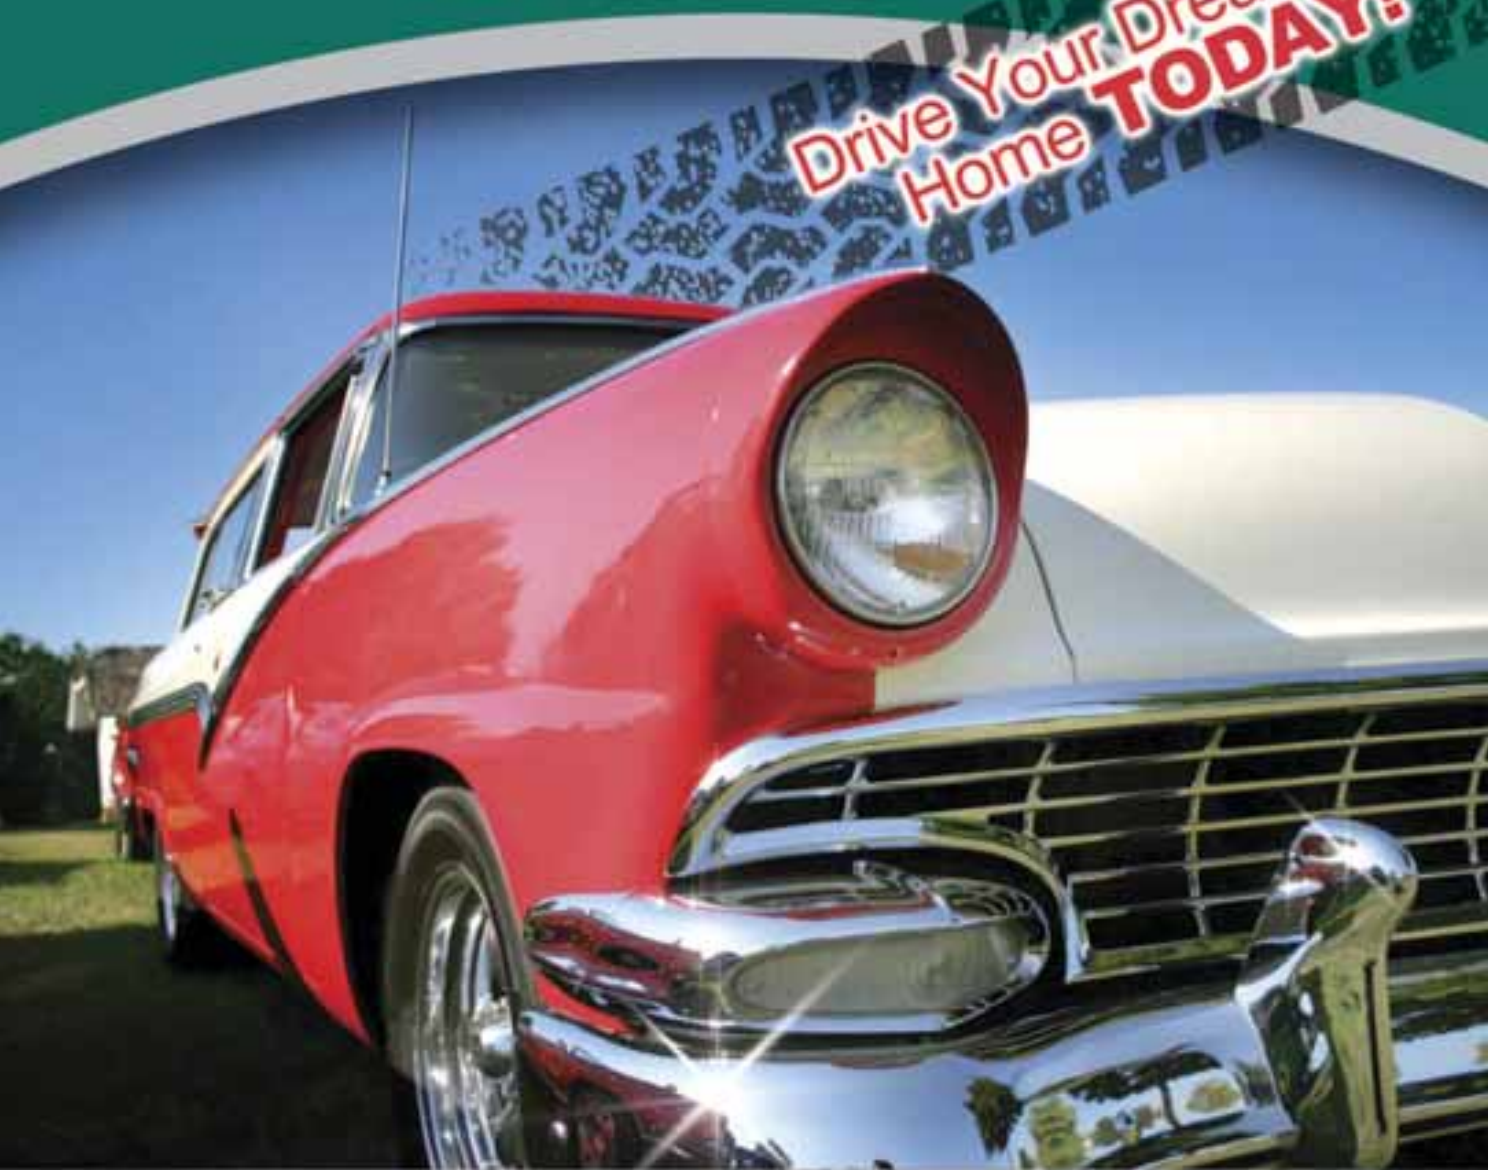

options include electric door locks, electric windows, power driver's seat, Infinity Sound, driver's air bag and tilt steering wheel. All of the '93s were special order only (due to low sales in '92). The only way to tell the difference between them was the "Intercooled Turbo DOHC" stickers on both doors (like the Spirit R/Ts) in '92, and the '93s had the DOHC sticker only on the trunk.

Stop by the Tent on the Showfield to see all of these beautiful Spirit R/Ts, Iroc R/Ts & Phantom DOHC R/Ts on display.

# RETRO DEALERSHIP

## STEP INTO 1971 AT BEENEY MOTORS - BUILDING G OUTSIDE GATE 1

To some, 1971 was the high-water mark for Chrysler in terms of design and performance and Beeney Motors has both with plenty to spare. Stop by this weekend to see the new Demon from Dodge – this unrestored little devil is a real beauty. We also have all of the new mid-size cars from both Dodge and Plymouth with the Super Bee and R/T as well as the Road Runner and GTX. Three historically-significant '71 Chargers are here at Beeney Motors from the Wellborn MuscleCar Museum – the Motor Trend test car, the pilot car and the last Hemi Charger built!

Trucks aren't just for farmers anymore and we have some this year including a shop truck and a Power Wagon. Don't worry, we didn't forget about the e-bodies with their recent facelift. We have plenty of 'Cudas and a couple of Challengers, including a pretty famous one that was previously driven by the cigar-chomping Dick Landy. Keeping the Landy car company is the ultra-cool Rod Shop Charger!

Beeney Motors is facing an uncertain future with the performance era nearing the end. If you want to participate in the 1972 dealership and you own a correct '72 Dodge, Chrysler or Plymouth, please contact us.

Thanks to the car owners (listed here) and the efforts of Art Reisinger and Dan Walmer of Art's Toys & Hobbies along with Dennis and Allen Kohr of Kohr's Kustoms, we are pleased to bring you the 1971 Retro Dealership, known as Beeney Motors. This may be your last chance to "shop" at Beeney Motors!

# SURVIVORS

## ROW 1B NEAR THE GRANDSTAND

### ALL-ORIGINAL, UNTOUCHED AND UNRESTORED

The best reference for restoring a car is to look at ones that are still the way they came off of the assembly lines. Stop by the Mopar Survivors Display and take lots of reference photos for your restoration project and enhance your knowledge. Even if you aren't restoring a Mopar, you owe it to yourself to see these historic treasures. They still have their original factory-applied paint, interiors and drive trains or at least a minimum of 85% of it. Carlisle Events thanks Mel Major and all of the car owners for bringing us the biggest and best Mopar Survivor display in the world. Pictured on this page are the cars being displayed for the first time in the Carlisle Mopar Survivors tent. All Survivors on display this weekend are listed below.

PREFERRED ONLINE MARKETPLACE OF CARLISLE EVENTS

## AUTOTRADER CLASSICS

AutoTraderClassics.com is the best place to fuel your passion for classic cars. With AutoTraderClassics.com, you can search thousands of classic cars from dealerships and private sellers, find a comprehensive inventory of both parts and accessories for maintenance, restoration and even custom builds of classic vehicles and list your classic car for sale to reach over a million shoppers every month. AutoTraderClassics.com also provides enthusiasts with a one-stop shop for resources on how to select, appraise, finance, purchase, transport and maintain the car of your dreams. Plus, there's always in-depth editorial content, classic car photos and information about events across the country. List your car on AutoTraderClassics.com/syc before 12/31/11 and use promo code "EV" to receive a 20% off Carlisle attendee discount.

COLLECTOR CAR INSURANCE

PREFERRED COLLECTOR CAR INSURANCE OF CARLISLE EVENTS

## HEACOCK

Have you ever wondered what collector car insurance is all about? It's simple, "passion". Heacock Classic Insurance knows that collector cars receive better care and are driven less than the family vehicle, therefore, classic car insurance rates are lowered. Our goal is to offer a custom, low cost program designed to fit your needs. Collector car insurance from Heacock Classic provides "Agreed Value" coverage, full coverage during restoration, coverage for modifications, and your right to choose your own repair shop if your car is damaged. You also get to choose zero deductible and automatically get \$50,000 coverage for 30 days when you purchase a new classic car. After you request a quote a status report is usually ready within 24 hours. Then, we will contact you to review it and hopefully activate your new insurance policy. It's simple, easy and the best way to properly protect your investment. Call us today at 800-678-5183 or online at [www.HeacockClassic.com](http://www.HeacockClassic.com)

PREFERRED CAR CARE PRODUCTS OF CARLISLE EVENTS

## MEGUIAR'S

For over 100 years, Meguiar's has shared its passion and pride for the car hobby and for making cars appear 'show car perfect'. They provide quality products for every surface of your vehicle – inside and out. Meguiar's Customer Care Center is available 6 days a week to answer any car care questions you have at 800-347-5700. Or, Join the discussion on facebook, or their online discussion forum at [www.meguiarsonline.com](http://www.meguiarsonline.com). "People who love cars love Meguiar's."

## OLYMPIK TROPHY CO.

Olympik Trophy Co. has been in the award business for 45 years. It specializes in awards for auto racing, motorcycling and all forms of motorsports. No job is too small or too large. The "Official Awards Supplier" for Carlisle Events, Olympik Trophy Co. offers full-color wall plaques, dash plaques, custom-printed and embroidered tees, staff hats and jackets. Of special interest, are our new Custom Profiled Lucite Awards. Sure to be a Big Hit at your next event. New this year, Full Color is now available on all Custom Lucite Awards. We can supply all of your show needs, for a lot less - always! Visit Olympik during the show or call 1-800-957-6604. Be sure to stop by and see Charlie, A.R.A.'s 2008 Hall Of Fame inductee. This is the ultimate honor in the awards and recognition industry. A.R.A.'s Hall Of Fame honors those individuals who have created a tradition of excellence for all industry members.

AWARD SUPPLIER OF CARLISLE EVENTS

## ROCK AUTO

RockAuto ships thousands of auto parts from over 200 manufacturers to customers on every continent except Antarctica - including APO/FPO addresses. The RockAuto catalog is updated daily with mechanical parts like brake pads and shock absorbers, body parts like bumpers and mirrors, interior trim like door handles and carpets, and major assemblies like steering gears, CV axles, engine long blocks, and complete transmissions. There are no mechanics on staff (RockAuto is a store, not a repair shop) but service manuals are available to help customers learn how to perform a repair. The RockAuto catalog is expanding constantly. Someday, it may be possible to build an entire car using parts from RockAuto!

## HOW TO FIND A VENDOR:

**ALPHABETICALLY** Look up a vendor by their company or owner's name starting on this page.

**BY SPECIALTY** Look up specific items in the Specialty Listing (which follows the A-Z Vendor Listing) to find vendors who have those items for sale.

**FINDING VENDOR BOOTHS** There are white markers on the ground at every vendor space. Just find the Row Letter or Building Abbreviation and Space Number on the map in the centerfold.

**Midway** = Manufacturers Midway (see map)  
**Rows CA-CB** = Car Corral

**Rows IA, A-P** = Main Swap Meet

Chip Miller, co-founder of Carlisle Events died in March 2004 of complications related to Amyloidosis. Chip may have been diagnosed earlier and still be with us today had awareness of the disease been greater. Amyloidosis is a disease caused by the abnormal accumulation of protein molecules in body tissues. Signs and symptoms depend on the organs affected. The wide range of signs and symptoms makes it difficult to diagnose, and there may even be no symptoms. Some signs and symptoms may include:

- Swelling of ankles and legs
- Shortness of breath
- Numbness/tingling in hands/feet
- Abnormal protein in urine
- Severe fatigue
- Enlarged tongue
- Irregular heartbeat
- Difficulty swallowing
- Skin changes
- Diarrhea
- Weakness

Gaskets

- Provide maximum sealing performance for today's high output engines and require no sealants.
- Ideal for aluminum heads to aluminum blocks and aluminum heads to cast iron blocks withstanding the shearing force created by the two materials.
- No need to re-torque, the embossing design of the MLS gasket promotes an even clamp load across the sealing surface allowing for measurable reduced bore distortion.
